

SEPTEMBER Newsletter

Message from President Marilyn

I want to thank you all for your words of encouragement and kind wishes as I work my way through this Inner Wheel Year as your President. I think a lot of the expectations may be my own, and I will be doing my best to fulfil those of our IWA members as the year progresses.

I travelled to Geraldton three weekends ago, with Secretary Chris and others, to be included in the Charter celebration of the new club there. We were all treated with the amazing friendship which Inner Wheel brings, and the new members of the Geraldton club are well on their way to being an exceptional group of women fitting into our aims and objects without any problems at all.

Sec. Chris and I travelled to Point Cook this past weekend a lot of time in the car, but well worth it to again be included in the Charter of another club in Victoria, once again amazing support from other clubs and Districts, it would appear there is something in the water in Victoria 3 clubs in 3 years? The evening was very friendly and a lot of fun was had by those attending. Once again, I know here is another group of women eager to follow the ideals of this Unique organisation.

My other reason for writing this newsletter at this time, is to encourage all of you who have not yet registered for IWA Conference in Northern Beaches, October 19th – 23rd, the closing date is fast approaching, - **21st September** is that date. Many have booked accommodation, now the committee really needs to know numbers attending. Transport has been arranged from all points of accommodation to arrive at the conference venues at the appropriate times.

I have been asked to advertise that the Harbour Cruise on Thursday afternoon, \$50 nibbles and a drink included, room for more travellers. Lunch will be available after the opening ceremony, on Thursday, at the Miramare at your cost. There are public transport buses passing regularly if retail therapy is required.

In memoriam service: Photos are required of those members who have passed since our conference in Warrnambool, whom you wish to have remembered, with dates, highest position held etc.

Please forward these to IWA Sec. Chris **asap**. If you want your friend remembered in this manner.

To District Chairman: Your reports for Conference are now due, and should give an overview of the Districts health and state of membership 250 words no more!!

Secretary's Comment

The Directory Editor Monique has supplied me with the directory changes to date. Please advise her of any changes to the Directory especially the details of new Clubs and new members. The IWA Website is listed on page 1 of the Directory and the Directory Editor is on page 7.

With the Conference getting closer now many members are writing reports and preparing for everyone to learn more and have a great get together or in other words "Linger in Warringah".

Best Wishes to and hugs to all.
