Dear Members

It is with a great deal of disappointment that I need to advise you of the cancellation of the functions to celebrate the IWA Changeover for June 2020.

It is obvious that with the advice from the Government to limit all nonessential travel and closure of state borders makes holding any function extremely difficult.

Obviously Vice President Elizabeth will take over the reins on the 1 July and I am sure you will all join me in wishing her all the best for the 2020-2021 year.

The Annual Conference for 2020 is currently on hold with a decision on that to take place after the next Government announcement in mid April.

We are certainly in uncharted waters at the moment and the health and safety of our members is of prime importance to the Executive. We will continue to monitor the situation to the best of our ability and advise any changes to our plans accordingly.

Please take care of yourselves and your loved ones, stay safe and keep in touch.

In Inner Wheel Friendship

Robyn
