

Christmas Message

During this year we have farewelled many Inner Wheel members and friends of Inner Wheel.

These loved ones will undoubtedly be keenly missed by their families and friends this Christmas. Our thoughts and prayers are with you all.

Likewise many communities throughout our wonderful country are reeling from devastating fires, droughts and other natural disasters. We must keep these communities also in our thoughts as they try to pick up the pieces of their lives and move forward.

Our wish for you all is to enjoy a wonderful happy and holy Christmas surrounded by loved family and friends.

Please stay safe. Take care of those around you and approach the New Year with enthusiasm and faith that Together we Can achieve much through friendship and service to others.

Inner Wheel Australia Executive. 2019-20
