

## **A wonderful initiative from the Inner Wheel Club of Geraldton**

The major project for Geraldton has been the Midwest Seniors' Directory 2024 we are so pleased with this project as two local governments provided funding for printing, City of Greater Geraldton and Shire of Chapman Valley as well as the local Member of Parliament. This resulted in a wonderful way of fundraising for the club.

Midwest Seniors' Directory 2024 fifth biennial edition with a print run of 4,000 copies distributed throughout the Midwest Region of West Australia free of charge.

The directory lists 44 businesses providing discounts to seniors, 30 community groups to keep seniors active and connected and information on support services and emergency numbers in a A5 size booklet.

The directory will assist seniors stretch their budgets just that little bit further.
