

Inner Wheel Australia at Work

In November 2022 the Eugowra community (NSW- between Forbes and Orange) suffered dreadfully with disastrous flooding. Inner Wheel Australia, working in conjunction with District A50, were able to activate the IWA Disaster Fund and support this local community with a donation of \$7,000.00. The Eugowra Community Children's Centre was the specific organisation supported.

As you can imagine it takes a little while for all the clean-up, assessment and planning required to repair and replace things and for the community to feel a little more settled. So it was with much pleasure that A50 District Chairman, Janet Power, Immediate Past District Chairman Sue Brown (IWC Corowa secretary) and A50 Treasurer, Tricia Cuming were able to represent all members of Inner Wheel Australia when the local ECCC held an Open Day and Appreciation Luncheon on May 8th 2024.

Please see the link to the more detailed report filed by IP DC Sue Brown.
