Inaugural Speech of Mamta Gupta

"IIW President Mamta Gupta began by extending her heartfelt gratitude to the distinguished gathering. She warmly welcomed esteemed guests from around the world and expressed her deepest appreciation for the opportunity to lead this remarkable organization in the first year of Inner Wheel's second century.

Reflecting on the past, President Gupta acknowledged the invaluable contributions of her predecessors, who laid a solid foundation for the organization's success. As Inner Wheel embarks on its second century of service, she emphasized the significance of the theme "Heartbeat of Humanity - Every Beat Counts, Every Action Matters," which encapsulates the spirit of unity, empathy, and collective action that drives our mission.

With unwavering enthusiasm, President Gupta emphasized the importance of doubling membership, doubling our District and clubs in this second century of Inner Wheel. She challenged and inspired members to take action, setting an ambitious target to make a profound impact. Specifically, she urged members to work towards administering 10 million HPV vaccinations to girl children aged 9-14, protecting them from the threat of cervical cancer. This bold initiative has the potential to save countless lives and empower young girls worldwide.

With determination and collective effort, President Gupta rallied the audience to work together, strengthen their bonds, and amplify their impact. Emphasizing her signature mantra "IMPOSSIBLE is I M POSSIBLE," she inspired members to inspire positive change on a global scale and make a meaningful difference in the lives of countless individuals.
