

# Have you heard the news?

Inner Wheel Australia has registered with participating Container Deposit Schemes currently operating around Australia.

This means you can **donate to our National Project, Cord Blood Research**, simply by returning your empty drink containers!

**Check the Inner Wheel Australia website for all the details on how to get involved**

# How does it work?

Return your empties at your local Container Deposit Scheme (CDS) location and you can donate the refund directly to our National Project, Cord Blood Research.

Participating CDS locations are located in NSW, Queensland, Tasmania, Victoria and Western Australia.

Simply download the app from your app store, complete the details and select the charity\*, or nominate the charity on the screen at the CDS location.

\*Donations over \$2 are tax deductible, and you can request a receipt in the app.
